

FOR THOSE WHO
DARE

Here is your home.

Intern (m/f/d) in the Infrastructure Direct Investments department

Job Purpose/Role

How does an infrastructure or a private equity transaction take place in practice? Which factors have an impact on corporate value? How do I analyze companies and investment projects within the framework of a due diligence?

Many questions - one answer: an internship at Allianz Capital Partners. Take on the challenge!

Key Responsibilities

- Supporting the investment managers in carrying out infrastructure investments and private equity transactions both in Europe and beyond
- Supporting the commercial, financial, legal and technical due diligence
- Preparing financial analyses and models, as well as company valuations
- Carrying out market and competitor analyses
- Supporting the preparation of investment proposals
- Research on infrastructure and private equity

Key Requirements/Skills/Experience

- Advanced studies in economics with excellent grades as well as a focus on debt and capital funding, investment appraisal or company valuation
- First-class internship experience in the fields of corporate finance, investment banking or management consultancy
- Sharp analytical skills and a very structured working style
- Strong understanding of economic and business contexts as well as knowledge of analyzing financial statements and company valuation
- Excellent knowledge of MS Office, in particular Excel and PowerPoint
- Very good knowledge of German and English
- Very high levels of motivation, independence, personal initiative and team spirit
